PRINCIPAL'S MESSAGE TO STUDENTS

Every young person in our community has the opportunity to attend school and prepare himself for good citizenship. Even more than this, the law-makers of our state are so certain that a high school education is essential, that a law was passed compelling everyone to attend school until he is eighteen or has finished high school, unless physically or mentally unable to profit by such schooling.

Millions of young people, who have returned from serving in the armed forces realize they need additional education, and are returning to high school or going to college. This should be a lesson to us, cause us to pause and ask ourselves if we are making the most of the opportunities that are offered us in our own communities for our future duties as satisfactory citizens.

Every student should have a good time while in high school but not to the exclusion of preparing himself for future years, as an adult of the community. I strongly advocate participation in all school activities, and getting the most we can from each one, but let us not become one sided in our development by giving too much attention to sports, social activities, or even to books, and thereby neglect other things necessary to a broad, well round or integrated development.

To you Seniors! I wish you well and remind you that education does not come of its own accord, and completing high school in only one phase of your development. It may be that some will continue formal training by going to college. Others will not. But everyone, even though he may not attend college, should continue to learn, and seek to be a well balanced, intelligent citizen.

Friday night, October 11, was the climax of the freshman initiation which had been followed the previous week by the girls carrying flies all day. The boys were found shining shoes, plus humbly addressing the upperclassmen. On Friday each class member was dressed in different costumes. In the evening the Rooks assembled at the Richfield station; from there they conga'd up the main street to the school. There they enjoyed the privilege of going up the stairs backwards on their hands and knees, with the upper classmen standing over them with various kinds of clubs.

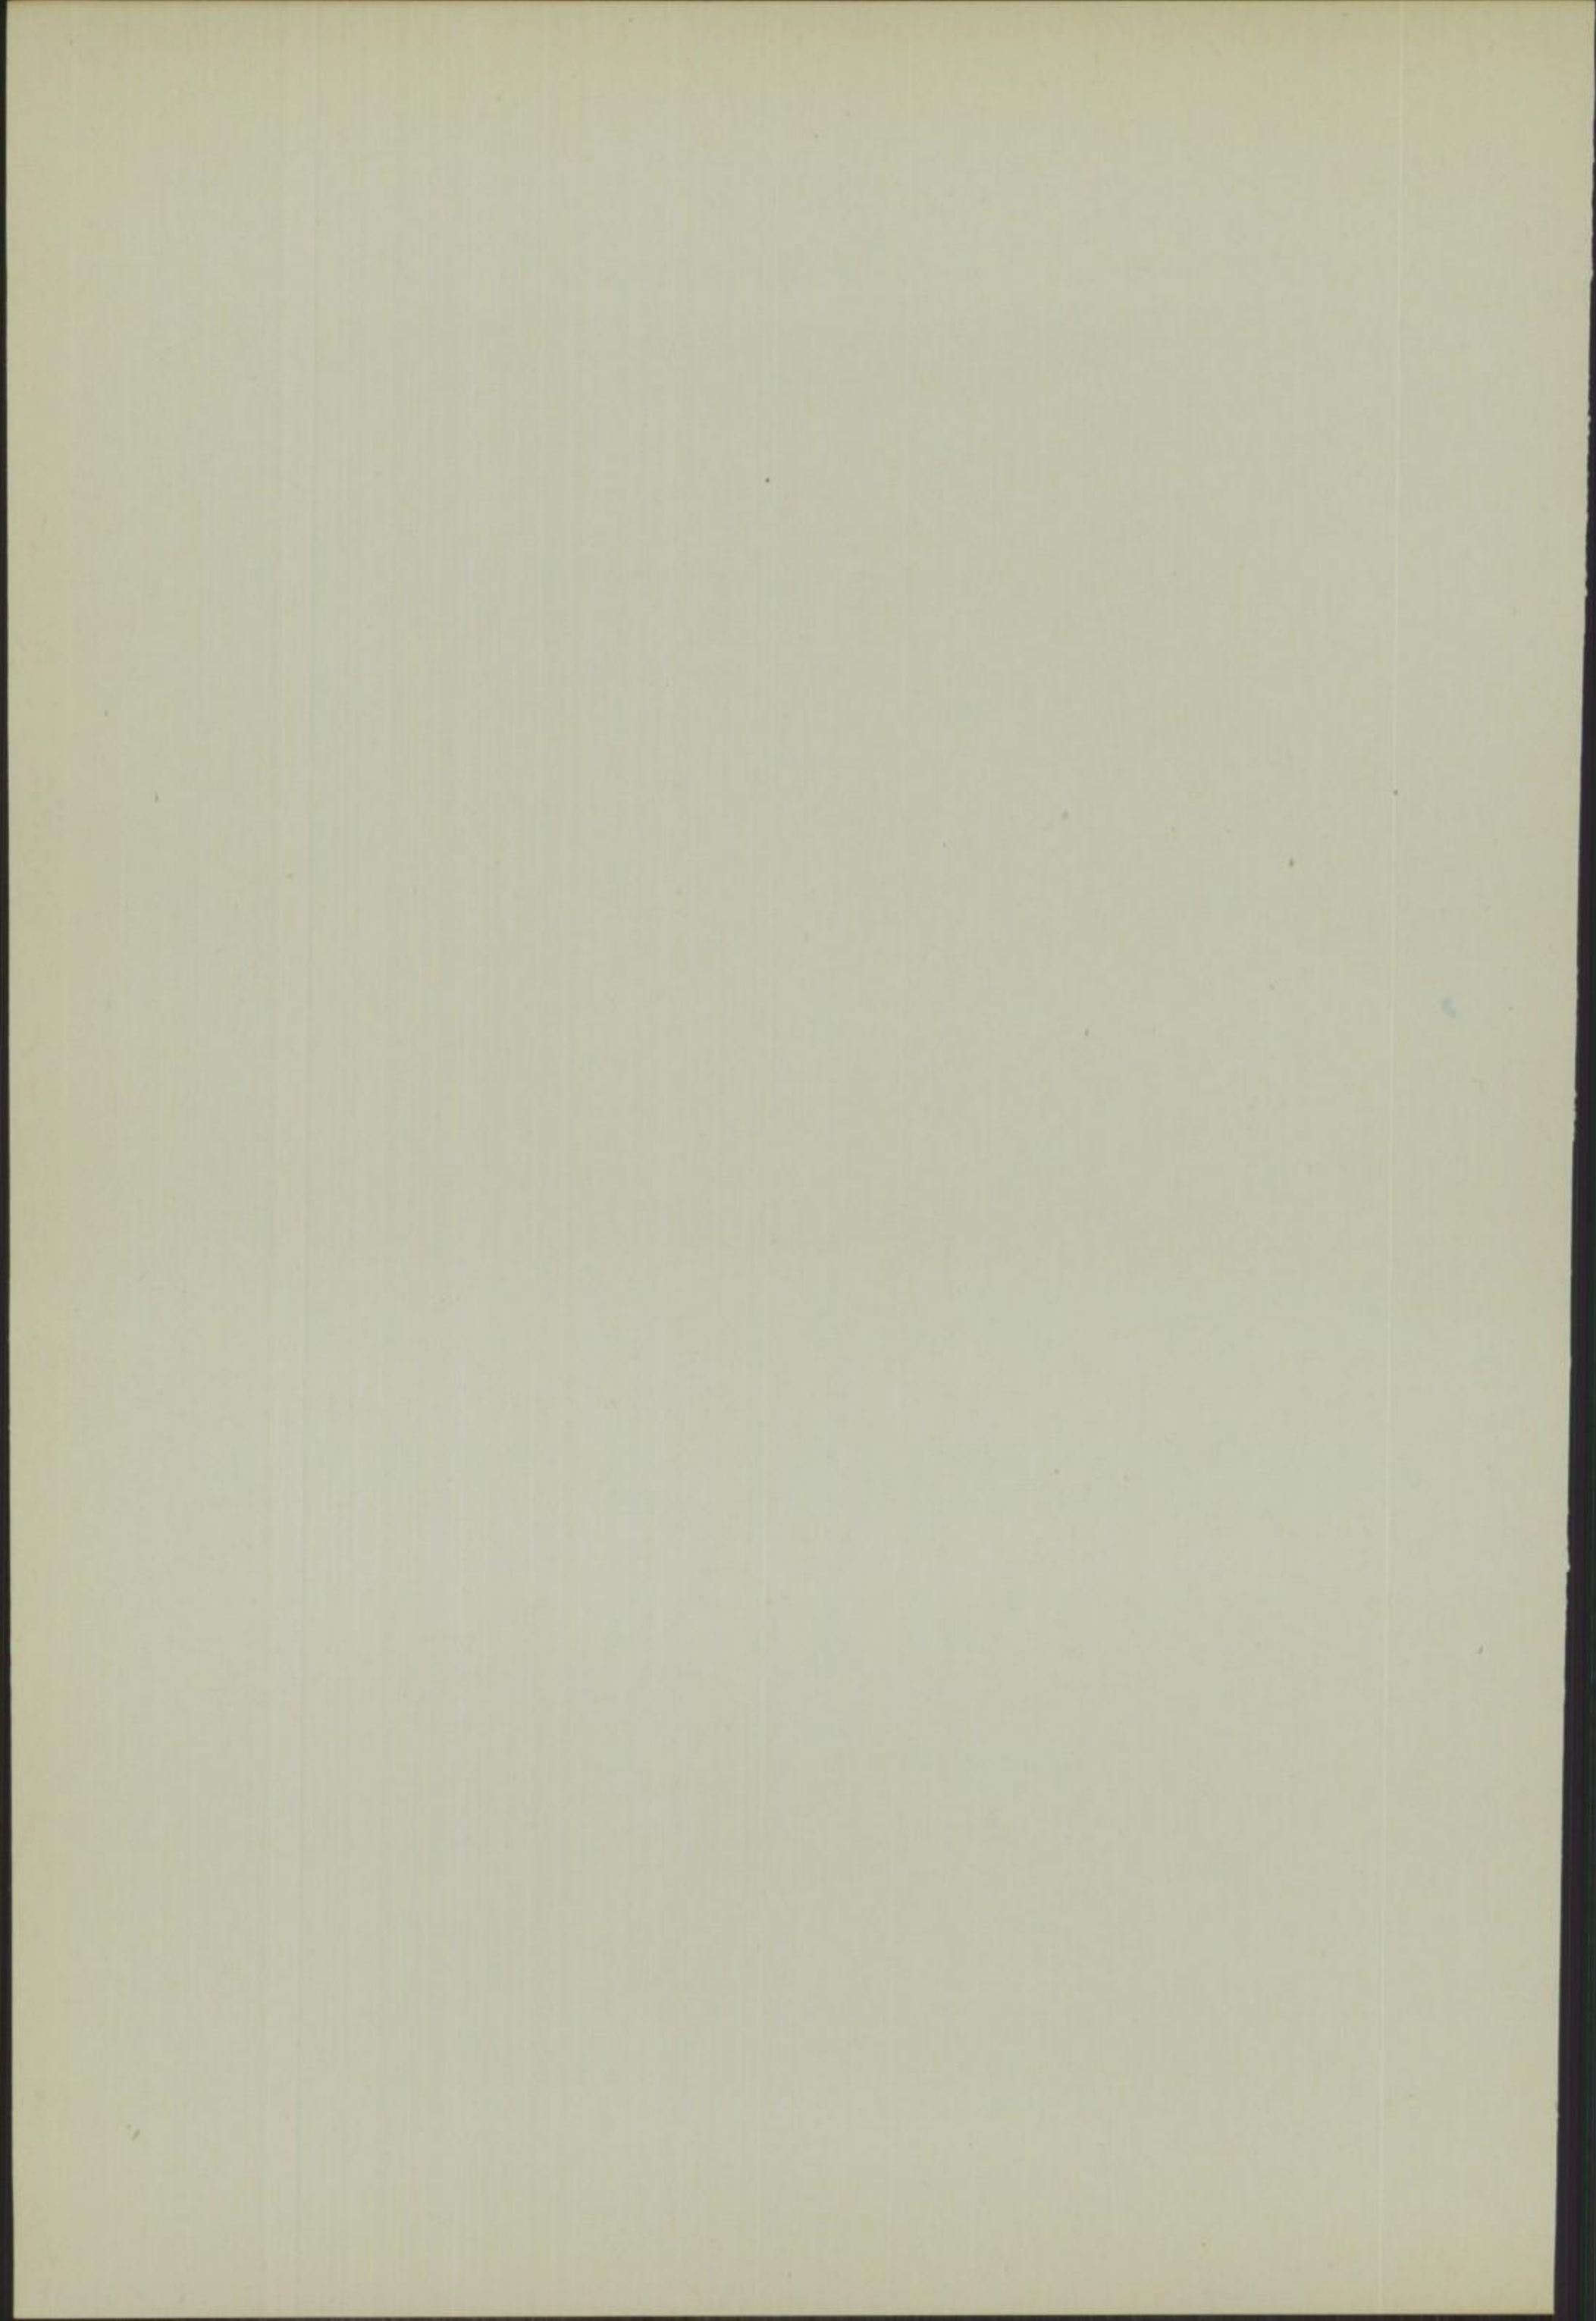

Next on the program of the evening, the class gave an excellent display of its talents in stunts, songs, and various acts. These were planned by committees from the sophomore, junior, and senior classes.

While the refreshments were being prepared by the freshmen, ~~some~~ students danced and sang songs. Ice cream and cookies were served.

The freshman play's title was "Are We Dressing". Due to misfortune they were able only to secure third in the contest.

BASKETBALL

"A" TEAM

The team of this year, 1947, showed vast improvement over that of last year. The team showed good ballhandling and sportsmanship all through the season. League leading scorer was our center, Richard Peters, a good man to have around when the going gets tough. The team will lose Richard Peters, Richard Hartman, Richard Banks, Clayton Gardner, Jerry Rodgers, and Jim Allen.

Six pre-season games were played and all were won by the fighting Cards. The games were fast and very interesting to see. Following is the 1947 season's totals:

The pictures for the annual were taken by the Bishop Studios of Salem. They were taken both in and out of doors.

The staff members are as follows; Richard Banks, editor; Raymond Spooner, assistant editor; Ralph Stoutenburg, business manager; Doris Bishop, assistant and business manager; Jean Collins and Marjorie Scott, typists; Rose Slyter and Odie Wasson, assistant typists; Alfred Hartman, advertising manager; Dorothy Weber, assistant advertising manager; Marie Loban, art editor.

Mr. Houser acted as staff advisor.

Hi-Life Staff

HI-LIFE STAFF

The Hi-Life staff for this year was chosen from the journalism class. The editor and staff were changed frequently in order to give more students a chance to acquire new and varied experience.

The size of the paper each issue ranges from four to ten sheets. About one issue per month was published this year, as the work on the paper was done during class.

The journalism class teacher and Hi-Life advisor was Miss Nixon.

LIBRARY

LIBRARY STAFF

This year the library staff has a total of eleven librarians. Miss Nixon is advisor and Donna Mae Hembree is head librarian.

The typists were Edith Pritchett, first semester, and Donna Mae Hembree, second semester, taking care of all typewritten work for the library.

The school has purchased twelve new books, among them being one on atomic energy, biographies, sports, and South American animals.

Each librarian receives a letter for his work on the library staff. These C's are to be purchased with the money obtained from fines.

LETTERMEN

LETTERMEN'S CLUB

The purpose of our Letterman's Club is to promote good sportsmanship and look after various things concerning the school. Fire drills are supervised by the club, and duties at the fire hoses and extinguishers are filled by the lettermen. The lettermen also sold pop, popcorn, and hot dogs, and increased their funds to over fifty dollars.

The annual Letterman's Club and Carlton C's banquet was held shortly after the basketball and volleyball season. Letters were awarded to Richard Peters, Richard Banks, Richard Hartman, Jerry Rodgers, Jim Allen, Kenneth Hodney, Don Woodman, Clayton Gardner, Allen Stermer and Manager Carl Jewell.

The club also drew up a new constitution concerning the duties and regulations of the organization.

Carlton C's

CARLTON C'S

The Carlton C's organization began its year with fourteen members. The officers were: president, Dorothy Weber; vice president, Doris Bishop; secretary, Violet Hoff; treasurer, Marjorie Scott; student council representative, Arlene Hoff; sergeant at arms, Billie Carter.

The C's sponsored several pop and hot dog sales during the basketball season.

Our uniforms were white skirts and red sweaters. The girls bought their own sweaters and the organization raised the money for the skirts.

During January the C's had charge of the March of Dimes campaign.

The C's annual banquet is to be held immediately after the volleyball season.

New members are RaDeen Wagner, Eunice Swope, Pearl Kadar, Jean Collins, and Lavilla Michaelsohn.

The purpose of the G.A.A. is to promote better health and sportsmanship among the girls.

The girls may earn points by hiking, bicycling, skating, riding, swimming, and volleyball. When they have earned enough points they are awarded letters or numerals.

Each year, every girl in the club has dues to pay which this year were twenty-five cents a semester. This money is put into the treasury and used as the members of the club see fit.

Officers of the club are as follows: president, Patricia Anderson; vice president, Doris Boettcher; secretary, Sherry Jack; treasurer, Jean Collins; sergeant-at-arms, Billie Carter.

Home Ec. Club

HOME EC. CLUB

At the first of the year the girls made aprons to use when they started cooking. The aprons are all made from the same pattern and they look quite attractive on the girls.

The girls started cooking by making many things which were on the breakfast menu. Then as a class project they served the teachers a breakfast at noon. The breakfast was a success and the teachers enjoyed it very much.

Afterwards the girls learned to prepare luncheon dishes. When they accomplished this they served the teachers a luncheon. It was also a success and the teachers enjoyed it very much.

When the girls finished cooking they started sewing again; this time they made dresses for themselves. Each girl made her own to suit herself and there were some very nice looking dresses.
